Of course after I sent it to Allison, we're still wrangling with one sentence related to the BE. But Allison, I'd just add it as is, and if we need to, we can talk about it on the 10AM call.

Good news on the pesticides call.

Jenny told me the call went well and only a few (and fairly easy) changes need to be made. Email from Jenny just came in so I will write no more.

The footnotes could still use some work. However, I haven't heard about the outcome of the pesticides call yesterday and if significant changes are needed. Also, still waiting on any final comments from Dennis.

That being said, I would go ahead and have Tt do final formatting on the latest version attached. I need FINAL FINAL to post online by COB Wed.
